

**FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579**

IN THE MATTER OF THE CLAIM OF

ALFRED D. BUSH

Claim No. CU - 5126

Decision No. CU 1992

**Under the International Claims Settlement
Act of 1949, as amended**

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by ALFRED D. BUSH based upon the loss of interests in a bond issued by the Cuba Northern Railways Company. Claimant has been a national of the United States since his birth in the United States.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and

debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant is, and since prior to October 13, 1960, has been the owner of one bond in the original face amount of \$1,000.00, issued by the Cuba Northern Railways Company and known as a "First Mortgage Gold Bond, 4%, due June 30, 1970" (originally a First Mortgage Gold Bond, 5-1/2%, due June 1, 1942), issued under an Indenture of July 1, 1927, with the First National City Bank of New York as Trustee. The bond in question is No. TRM 88.

The record discloses that Cuba Northern Railways Company, owned by Consolidated Railroads of Cuba (Ferrocarriles Consolidados de Cuba), was listed as nationalized by Cuban Law 890, published in the Cuban Official Gazette on October 13, 1960. Consolidated Railroads and Cuba Northern Railways were organized under the laws of Cuba and neither qualifies as a corporate "National of the United States" defined under Section 502(1)(B) of the Act as a corporation or other legal entity organized under the laws of the United States, or any State, the District of Columbia or the Commonwealth of Puerto Rico, whose ownership is vested to the extent of 50 per centum or more in natural persons who are citizens of the United States. Therefore, claimant is entitled to file this claim based upon the bond in question which represents a debt of a nationalized enterprise within the purview of Section 502(3) of the Act. (See Claim of Kentucky Home Mutual Life Insurance Co., Claim No. CU-1339).

The record reflects that on April 4, 1933, Cuba declared a moratorium on mortgage indebtedness, which was later extended to June 1942. On June 4, 1940 a new Cuban Constitution was adopted, having certain "Transitory Provisions" which extended the maturity date on mortgage indebtedness in excess of \$800,000 to June 30, 1970 and provided for interest at 1% and amortization by certain annual installments.

In 1952, pursuant to a "Plan for Readjustment of Bonded Debt of the Company", the 5-1/2% Gold Bonds were surrendered in exchange for the First Mortgage Gold Bonds, 4%, due June 30, 1970. The interest on these bonds was payable on June 1 and December 1 of each year. The last payment of interest on these bonds was made on December 1, 1958.

Evidence of record establishes that the subject bond had an outstanding principal balance of \$635.00 on October 13, 1960, the date of loss.

The Commission therefore finds that the amount of the unpaid indebtedness on claimant's bond on October 13, 1960, the date of loss, was \$682.56, including the principal amount of \$635.00 and the interest due on the bond in the amount of \$47.56 for the period December 1, 1958 to October 13, 1960.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss, to the date on which provisions are made for settlement thereof.

It will be noted that the total amount of loss found herein is in excess of the amount asserted by claimant. However, in determining the amount of loss sustained, the Commission is not bound by any lesser or greater amounts which may be asserted by claimant as the extent thereof.

CERTIFICATION OF LOSS

The Commission certifies that ALFRED D. BUSH suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Six Hundred Eighty Two Dollars and Fifty-Six Cents (\$682.56) with interest thereon at 6% per annum from October 13, 1960 to the date of settlement.
